

Holy Week Registration for Services

Holy Week is approaching quickly and we are making every effort to keep people safe while attending mass. We still have restrictions on the number of people who can be in the church at one time. Therefore, we will only be allowing those who have pre-registered at mass, by phone (**617-325-3322**) or on [Flocknote](#) in to Holy Week services. We ask that you sign up on the parish website, fill out the form given during weekend masses or call the Rectory if you are planning to attend. In an effort to make sure we are prepared, registration will close 24 hours prior to the start of each of the masses. Thank you.
